**Memorial Day, May 30 (traditional)**, is a sacred day to all war veterans. America's collective consciousness demands that all citizens be reminded of the deaths of their fellow countrymen during wartime. By honoring the nation's war dead, we preserve their memory and thus their service and sacrifice. All U.S. flags should be displayed at half-staff during the morning hours. At noon, they should be raised back to full-staff.

**Memorial Day is a United States federal holiday**, commemorating those who have died in military service to their country. It is observed annually on the last Monday of May.
